

The Prime Meridian

This important geographic landmark is the starting point for Canada's settlement township plan

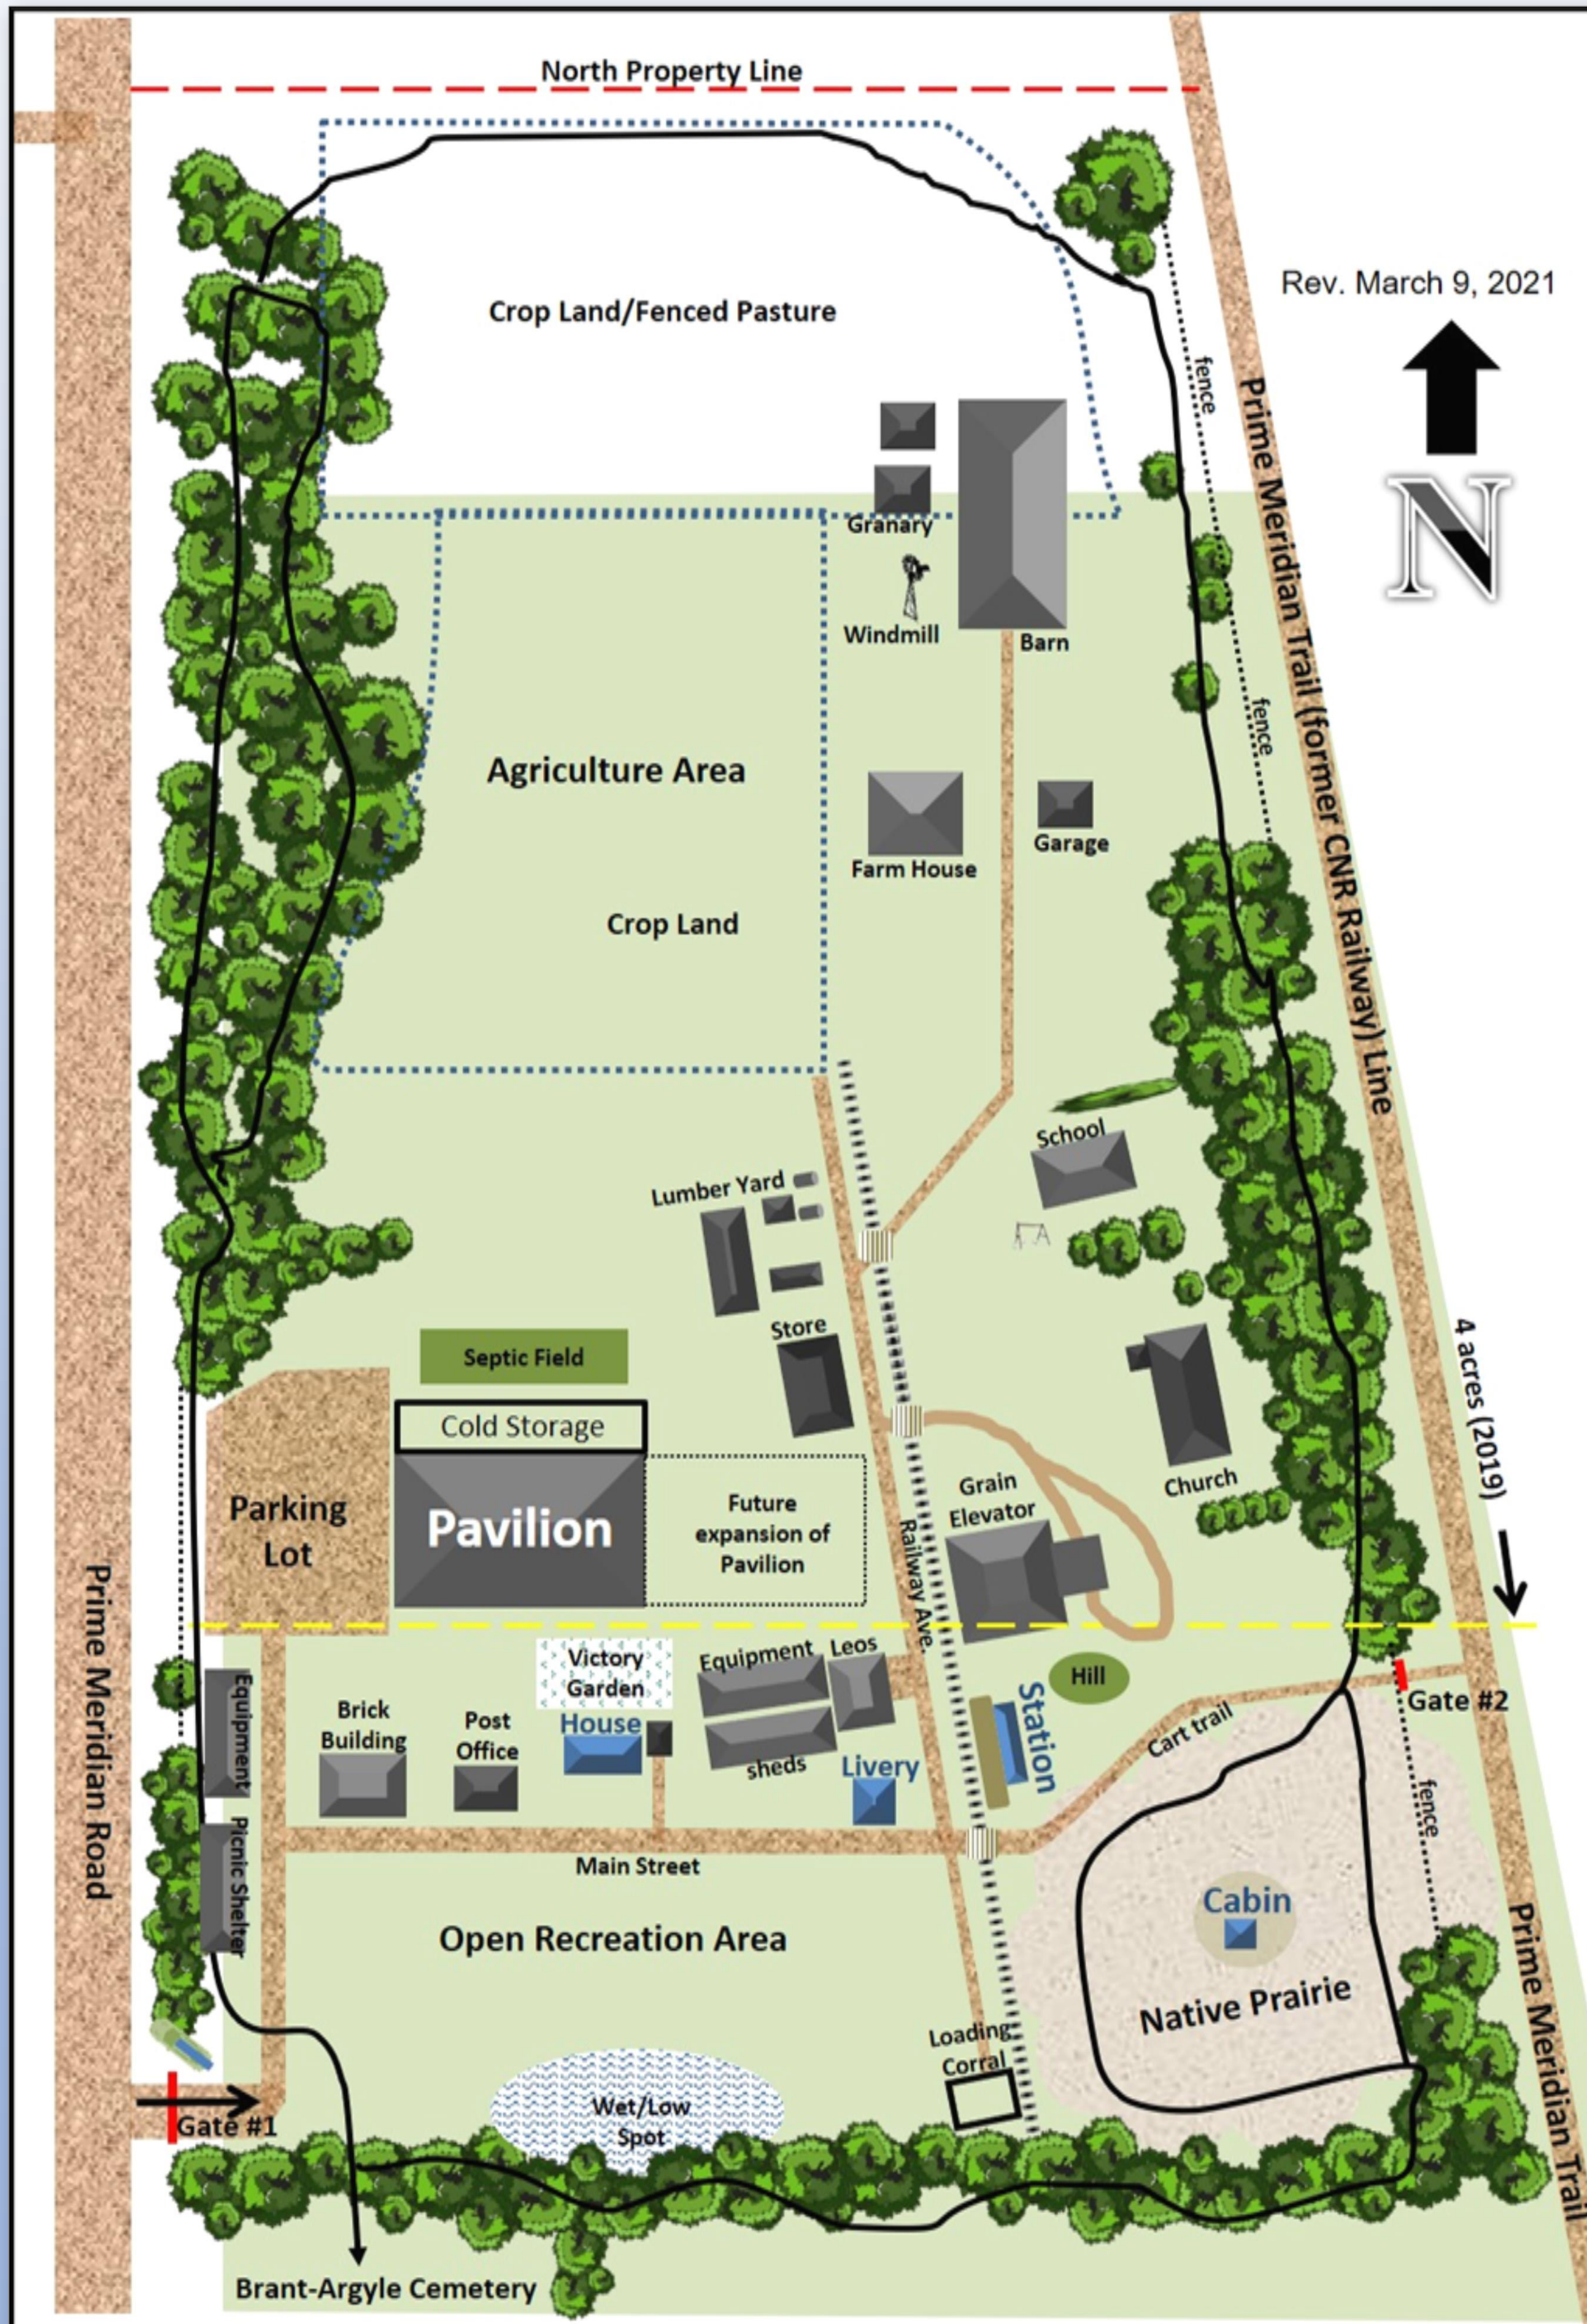

Bricks & Blocks

Our province-wide collection tells the masonry history of Manitoba

Agricultural Heritage

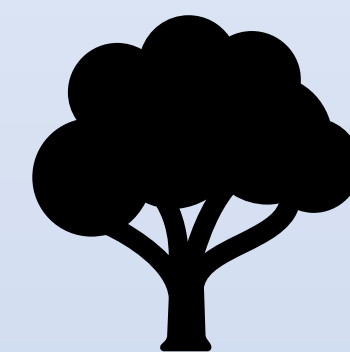

Typical rural farm will feature a barn, sheds, granaries & live animals

Recreational Trails

Our walking paths will connect to the neighbouring Prime Meridian Trail

Landscaped Park

Trees, grasses & plants enhance open spaces and beautify the museum property

Historic Village

Living time capsule of historically placed buildings, roads, equipment & vehicles

Native Prairie

Natural flowers/grasses, animal sculptures, walking paths & a settler's cabin

The Railway Arrives

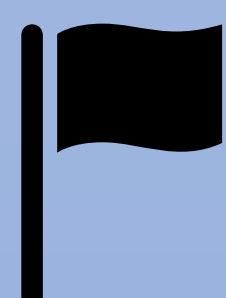

Historic Ekhart boxcar railway station, 250 feet of rail, rolling stock, loading ramp & stockyards

Four-Season Pavilion

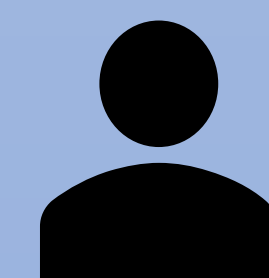

The museum's central building will house exhibition space, archival storage, classroom, office & a welcoming foyer

Cold storage facility will offer secure outdoor space for larger museum materials

Our Famous Flags

The Canadian Flag Collection is our unique nation-wide exhibition, drawing visitors from near & far

Family Genealogy

The neighbouring Brant-Argyle Cemetery offers historical research opportunities
